01. Telephone Solicitation Act of 2022

15 O.S. §§ 775C.1 TO 775C.6

Consent for automated and recorded sales calls, caller ID duties, calling hours, a frequency cap and a private right of action.

02. Registration and state registry

15 O.S. §§ 775A.1 TO 775B.7

Annual Attorney General registration with a \$10,000 bond, plus a state do-not-call registry that callers must buy and scrub.

AT A GLANCE

Oklahoma at a glance

WHY OKLAHOMA MATTERS

The 2022 Telephone Solicitation Act is a mini-TCPA: an 8 p.m. cutoff, a three-call daily cap, written consent for automated sales calls to any line, and \$500 per violation from the first call.

Who and what is covered

The OTSA protects the "called party," the regular user of the number called. A sales call to any Oklahoma area code is presumed made to an Oklahoma resident or a person in the state.

Sales calls, not collections

A federal court held the OTSA does not reach a debt collector that sold no goods or services (loszpe, 2025).

Aa. **Any line**

Not limited to cell phones; texts and voicemail drops are covered.

Bb. **Exemptions**

Charities, licensed insurance and real estate agents, banks and more.

Cc. **Customers**

Existing customers are exempt, with no time limit.

26

Consent for automated calls

No commercial sales call may use "an automated system for the selection or dialing of telephone numbers" or a recorded message without prior express written consent (15 O.S. § 775C.3(A)).

No number generator test

The phrase is undefined and lacks the TCPA random or sequential generator element read in Duguid.

What the form needs

A signature (electronic is fine), the number, and notice that signing is not a condition of purchase.

01. State no-sales-call registry

15 O.S. § 775B.6(A)

No sales call or text to a consumer more than 30 days after the number first appears on the Attorney General registry.

02. 24-month relationship rule

15 O.S. § 775B.2(3)

Calls to consumers with an established business relationship formed in the prior 24 months are excepted.

DO-NOT-CALL

Do-not-call registry

IN PRACTICE

Registry access costs \$600 a year or \$150 a quarter. Consumer registrations last two years and renew automatically.

Calling hours and call caps

Sales calls are allowed only from 8 a.m. to 8 p.m. in the called person's time zone, one hour shorter than federal law (15 O.S. § 775C.4(A)).

3

Calls per 24 hours

The most sales calls to one person on the same subject in a day.

Prerecorded devices

Automatic dial announcing devices: 9 a.m. to 9 p.m. only.

No number rotation

The cap applies regardless of the phone number used.

Caller ID and voices

Sales callers must transmit their number and, when the carrier provides it, their name. The displayed number must take calls and connect to the solicitor or seller.

Prerecorded devices

Disconnect within 20 seconds of hang-up; no random or sequential dialing (15 O.S. § 755.1).

Aa. **Spoofing**

No blocking or displaying a different number to hide identity.

Bb. **Voices**

No altering a caller's voice to conceal identity and deceive.

5%

Cc. **Crime**

Knowing false caller ID is a misdemeanor, up to \$10,000 each.

Registration and bonding

Non-exempt commercial telephone sellers must register with the Attorney General at least ten days before calling, and renew every year (15 O.S. § 775A.3).

\$10,000

Surety bond

Runs to the state and anyone with a claim against the seller.

Fees and filings

Up to \$250 to apply, \$100 to renew; scripts and numbers listed.

Cancellation right

Buyers may cancel within three business days of receipt.

Lawsuits and penalties

\$500

Or actual damages if greater, per OTSA violation, up to triple if willful or knowing.

\$10,000

Maximum civil penalty per Consumer Protection Act violation in public actions.

D1

Felony class for criminal Consumer Protection Act violations, with fines up to \$5,000.

Oklahoma vs. the TCPA

Oklahoma is stricter on hours, call frequency, automated dialing, voice alteration and first-call damages, but exempts insurance and real estate agents and sets no time limit on its customer exemption.

Oklahoma

8 a.m. to 8 p.m., three calls a day, any automated system, \$10,000 bond.

Federal TCPA

8 a.m. to 9 p.m., no cap, random or sequential ATDS, 3% abandoned calls.

Key court rulings

No Oklahoma appellate court has construed the OTSA. In *Silva* (E.D.N.Y. 2024), a default judgment, the court borrowed the TCPA definition and awarded \$500 per text.

Consumer Protection Act limit

Braver (W.D. Okla. 2024) declined OCPA dialer and do-not-call claims under the regulated-transaction exemption.

Aa. **Silva**

Fifteen texts from a list-dialing platform: \$7,500.

Bb. **loszpe**

Debt collection calls fell outside the OTSA (W.D. Okla. 2025).

2024

Cc. **Braver**

TCPA treble damages granted; OCPA claims were not.

Amendment history

Texts added

SB 398 extended the registry and related laws to text messages.

OTSA enacted

HB 3168 took effect November 1, 2022; no later amendment.

First rulings

Silva and Braver applied the new and older statutes.

HB 2104

Effective Jan. 1, 2026: criminal OCPA violations are D1 felonies.

01. Consent, hours and caller ID

15 O.S. §§ 775C.3, 775C.4

- Get signed written consent naming the number.
- Call only 8 a.m. to 8 p.m. in the called person's zone.
- Cap sales calls at three a day across all numbers.
- Send a callable number; never spoof or alter voices.

02. Registration and registry

15 O.S. §§ 775A.3, 775B.6

- Register and post the \$10,000 bond if not exempt.
- Buy the state registry and scrub within 30 days.
- Disclose the three-day cancellation right.
